## Way Down South, in the Land of Cotton

It has been the purpose of the 1973-74 Sabre staff to preserve this year for everyone at South Garland. Within these pages lies our attempt to do this by capturing your memories of that certain someone, that special night, or that unforgettable experience.

In years to come when your mind is troubled, we hope that you may take this book and with your childhood memory, recall this year at South Garland High School.

## STUDING.

#### Morning has broken

South Garland opened its doors for the 1973-74 school year on August 27, accompanied by the general chaos typical of the first days of school. As usual, counselors had their hands full with schedule changes, and the bewildered sophomores searched frantically for their classrooms. Students once more greated their fellow classmates

The beginning days were occupied with sophomores getting acquainted with S.G.; the juniors once more getting into the swing of things, and the seniors gradually becoming aware that this at last was their year — the year of the Seniors of 1974"

#### Everyone Pulls Together

After the first few weeks, everyone gradually settled into their daily routines Students were faced once more with homework assignments, poptests, and research papers. Organization got underway for the various clubs, and practices that had begun in summer continued for the drill teams, band, football teams, and choir members. All began to work towards preserving the traditional Colonel pride and spirit and towards making South Garland Number 1 in every way

#### Colonel Spirit Comes Alive

The Colonels showed great promuse in pre-district games by winning all four, District play began for the Colonels on October 5, accompanied by the traditional Color Day. South Cirland defeated North Mesquite 29 28 to make it five straight wins. Colonel fans gave tremendous support to the team, and spirit was really abundant at S.G. both at the pep rallies and the games.

#### Musical Carousel Reveals Talent

After much hard work and long hours of practice, the musical Car ousel was presented by the choral department at South Garland Octo ber 26 and 27. The cast involved over one hundred choir members. The members of the cast showed more of S.G.'s talent by giving supe rior performances to a capacity-filled auditorium both Friday and Saturday nights. The musical was directed by Mr. Jerry Baxter, Choral Director at South Garland. This was Mr. Baxter's first year here, and the musical proved that South Garland's choirs were in for big things in the future

The plot of Carousel was centered around the romance between Billy Bigelow (Gary Smith) and Julie Jor. dan (Beverly Miller). The songs in the musical included "If I Loved You, "June is Busting Out All Over," and "You'll Never Walk

Alone "

#### Working Together,

But it was not all fun and football games, as students gradually realized. This realization but some harder than others as the first six weeks ended and report cards came out.

The daily routine was broken occasionally with assemblies. The sophomore class held elections, the jumors ordered class rings, and the seniors ordered graduation announcements. We also had a special assembly on photography.

#### Exes Return to S.G.

Homecoming was held at S.G. the weekend of November 2 and 3. In place of the traditional bonfire, the Key Chih sponsored a pep rally the Thursday night before the game featuring the parents. After the pep rally, the students and parents retreated to the auditorium for a flag ceremony

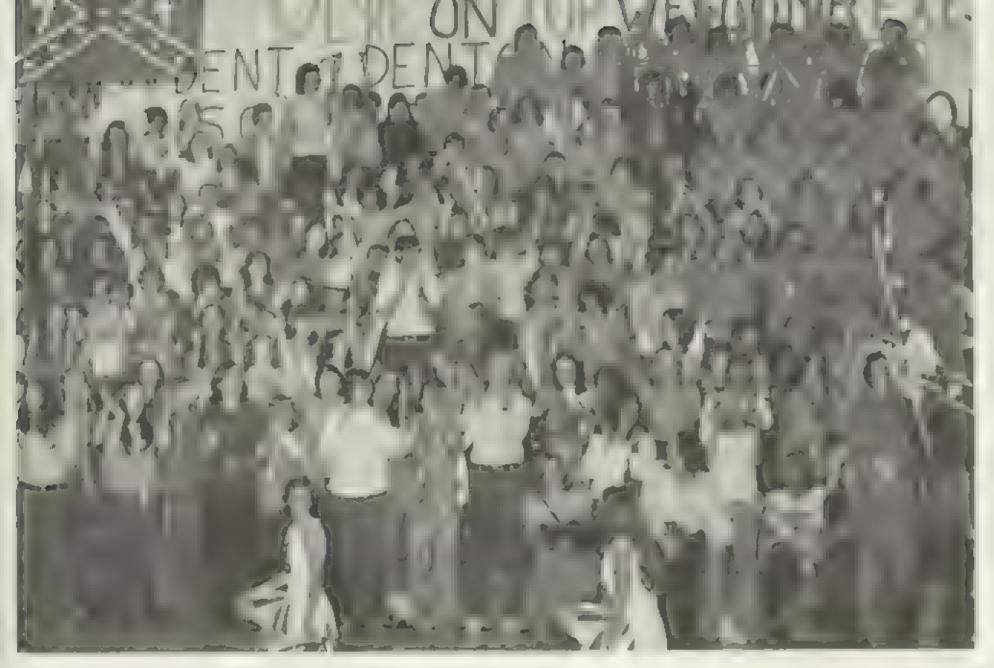

The Friday of the game, many old, familiar faces were seen on the school campus and at the pep rally. The pep rally was considered one of the best of the year.

#### Drama Department Presents

On December 7 and 8, the Drama Department presented The Skin of Our Teeth, A school performance was given on December 7. The production revealed much talent and hard work. The play was under the direction of Mrs. Judy Anthony, Leads were played by Debra Corley, Judy Brownfield, and Jim Eidson

# The Skin of Our Teeth

December was a busy month at South Garland. On December 10, an assembly was held featuring Reverend Victor McManus. The Student Council sponsored their annual canned food drive and door decoration contest.

On December 15, the Seniors showed their Christmas spirit by sponsoring a party for children throughout Garland. Each senior who wished to participate bought his child a gift which was given to him at the party by Santa Claus, alias Gordon Crom. Everyone enjoyed a turkey and dressing dinner. After the party, the seniors indeed felt that it is more blessed to give than to receive.

The Christmas spirit was aided by a choir concert Thursday night, December 20, and the band concert, December 21. Classes were dismissed at 2:00 December 21 for the holidays.

### Take a Ride on a Riverboat

The Colonel Ball and Presentation were held on Saturday, January 5. The theme this year was "The Riverboat." The Presentation was held preceding the Ball complete with suspense before winners were announced and congratulations afterwards. Entertainment was provided by the stage band and the Showboa ters. Barbara Zabojnik and Gordon Crom served as master and mistress of ceremony.

After the Presentation, students and their dates made their way to the S. G. ballroom, also known as the cafeteria, where they danced to "Barefax."

### Halfway There

Upon returning from the Christmas holidays, students were greeted with a pleasant surprise. In order to conserve energy, school would begin at 8 15, and each class would be cut five minutes.

Some students began busily cramming for exams, while the majority took advantage of the new exemption policy. Students who had not had more than three unexcused absences were entitled to an extra-long weekend

For some seniors, this was the end of their high school days as they graduated on January 17.

The monotony of January was broken by the cold weather and accompanying ice. For a few days, South Garland resembled an icy wonderland

"IT" was scheduled to appear on Thursday, January 10, at 1:00 in the cafeteria. Many students risked a tardy to class to see this mysterious "IT" that had four eyes, was wired for sound, and sat on a stool and exploded. As it turned out, "II" was Mrs. Burns, the biology teacher, and the whole thing was an experiment in human reactions.

### With Love

Valentine's Day was celebrated at South Garland with the traditional carnations and valograms. The day was full of surprises for students as valograms were delivered each period. It was a big moment when a valogram came from that species person or morbe exert a secret admirer. Some tacky girls received pink, red, or white carnations first period. ### My Shoulders

This was a year of change for all Colonels. This was the year we won district in football. This was the year everyone was careful not to skip so they would not have to take exams Eighteen-year-olds became legal adults. We hived through Water, the energy crisis, and the Middle East conflict. We watched the world change as we too changed and grew older and hopefully wiser.

### All Those

Seniors greeted the end of the year with mixed emotions. It was hard to realize it was all over. No more "happy days" at lunch, research papers, sleeping in study halls, poptests, pep rallies, victory dances, Colonel and Coronation Balls, and all that good stuff. This year we had waited for so long was over. The time came for good-byes. The Senior class of '74 was going its separate ways We knew it had to end sometime; but somehow now that it was here those long, hard days, now seemed to have gone so fast.

### Happy Days

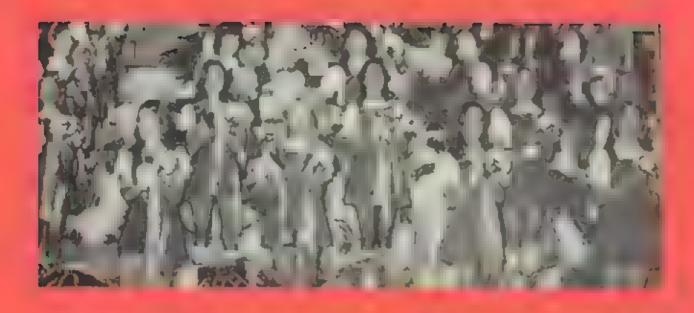

Remember the things that made this year - the football games, all the tripe to the Pizza Inn and the Jack-in-the-Box, Twip Week, the Valo-Grams, the clubs, the elections, the assemblies, that special someone. Remember the Arlington Sam Houston bi-district game and watching in the rain for all four quarters with sinking hopes. Remember singing the alma mater at the end of the game and realizing that this was the last time. Remember all the laughter and all the tears. Remember the special people you shared it all with. Remember these things - for they will only live on in your memory.

"All those happy days would never learn to fly, until the hands of time would choose to wave good-bye."

The 1973-1974 football season has been one of the greatest ever for the Colonels. District 8-4AAAA was one of the toughest in high school football. The Colonels, through sweat, blood, study, and hard work, won the district title. The head coach again this year was Jim Dodson, and the assistant coaches were Bill Horn, Bob Price, and Raymond Haas. The trainer was Pete Grubbs.

In the first game the Colonels scrimmaged Bryan Adams, The Colonels showed great promise by defeating them six scores to none. As the season started, the Colonels looked forward to a great year. In pre-district the Colonels faced Plano, W.T. White, Samuell, and Irving MacArthur. In the season opener against Plano, a very tough opponent, the Colonel's defense proved strong, and the offense put enough points on the board to win in a big victory. In the second game, the Colonels faced the highly rated W.T. White team, South Garland again played a strong game, both defensively and offensively to defeat the Longhorns. Against Samuell, the offense moved the ball and controlled the clocks as the defense shut out the Spartans to win. In the first half of the Irving MacArthur game, the Colonels bogged down and made mistakes but through second efforts fought back to win late in the game.

The next week South Garland went into district play undefeated to play the North Mesquite Stallions, who were also undefeated. The first half was all North Mesquite's, as they scored four touchdowns and shut the Colonels out. The highly spirited and proud Colonels were down but not out. They fought back to win by one

point in what was called the greatest comeback in high school football his tory. The following week South Garland traveled to R.L. Turner, who started the season ranked eighth in the state. The field was flooded, and the rain kept coming, but the Colonels fought hard to win late in the game for the third consecutive time The high flying Colonels were in the number spot in the state's ten top ranking teams. Mesquite had the nickname Giant Killers, and like the name says, they defeated the Colonels for their first and only loss of the regular season.

Homecoming was here, and the spirit was high. The Colonels shut out the Denton Broncos and rolled up a drive offense. Highland Park was the next Colonel opponent. The Scots and the Colonels played a good game, and SG won in the last few seconds with a field goal. Our last opponents were our cross town rivals, the Garland Owls, for what might have been the final game. South Garland must win this to represent District; a tie or loss would have given it to North Mesquite, The Owls played the Colonels a close first half. The second half was all South Garland's as our offense rolled up the most this sea son, and the defense held Garland scoreless.

The South Garland Colonels won the district title and went on to play Arlangton Sam Houston in bi-district

Many thanks go to the Band, the Belles, the Dixies, and the Cheerleaders for all of their hard work and outstanding performances. A special thanks goes to the South Garland student body for all their spirit and for backing the Colonels all the way this year

# Title Again This Year

The Junior Varsity football team has won the district title for the second consecutive year. They played excellent ball throughout the season. Their only loss of the season was to W. T. White in a hard fought game, The defense played tough games and held their opponents' scores to a minimum, while the offensive team did its job of scoring. The future of the Colonels looks bright for next year's varsity team. The coaches of the team this year were Ron Calloway and Eustace Conwoop.

South Garland's B-team this year learned the meaning of sportsmanship. Through their hard work, at practice and on the field, they learned what it means to be a Colonel. Although the team feels that they haven't accompashed mach, they have gained experience for the Varsity try-outs next year. The bright spot of the season was their defeat as nost Wylie. The coach for this year's B-team was Coach Tamez, a newcomer to SG.

Swimming is a sport new to South Garland this year. Swimming requires remarkable strength, coordination, and endurance. South Garland's team had some excellent swimmers, but not enough 'depth' to have a strong showing in the meets. The young team swam against older, more experienced teams. Next year's team promises to be even bugger and better. The coach of this year's swimming team was Mrs. Tricha Lewis.

## Golf Team — on the Ball

This year's golf team was a very mexperienced team, with only two members having played on the first team in district. After playing 11 matches, the team won 6 and lost 5. In tournament play, the team finished fourth out of 20 teams at the Arlington tournament, fifth out of 8 at the Mesquite tournament, sixth out of 22 at the Garland tournament. Chances for a district title look dim because of inexperience. The team could have been one of the best. Hard work helped to move the team up.

The "73-74" Colonel Basketball Team was one of experience, hustle, and hard work. The hard workouts they went through made the Colonels an excellent team. They started off the season great, winning four in a row, then the tournaments came. The first one was Waxahache: SG took third. Next was the Garland invitational in which SG placed second in a heart breaking loss to North Garland Last, but most prestigious, was the Dr. Pepper tournament in which SG placed third

The first half of district play proved the Colonels to be a tough opponent to beat. The Colonel's momentum was really rolling. Here the loss of the big postman, John Derrick, spelled trouble to the Colonels during the second half. They fought hard during the remainder of the season, but they placed low in district Their coach was Clayton Brooks

The South Garland B-Team, under the leadership of Coach Tamez, put together a successful season in 1974. Stressing a strong team defense and controlled offense, the Colonels did well in district play. The team played together well and showed an excellent example of how teamwork can win games.

This year's B-Team players will help make up a fine Varsity squad next year.

### District Title

South Garland has had a reputation in past years for its winning track teams, and this year's team proved that they could maintain that tradition. Track requires determination and strong drive, as well as physical endurance. South Garland won the district title last year, and this year's team had many returning members. The team greatly improved since their first meet last season and had more experience. Track not only consists of runners, but of weight men, vaulters, and jumpers. This year's team provided stiff competition in district meets. The track team was coached by Raymond 11—8.

South Garland added girl's track to its curriculum this year with excellent results. The girl tracksters proved that they could represent Stras well as the boys in sports. The team competed in a ten team district and did very well. The team's weakness was in numbers. They won most of the running events with excellent times, but the spots that showed a need for improvement were the field events. Next year, with the experience the girls have gained. Strahould be at the top. The team was coached by Mr. Smith and Mrs. Muse.

### Kicks From Soccer

The South Garland soccer team played excellent again this year. With nearly all of last year's team members returning, South Garland began winning big after working out scoring problems at the beginning of the season. The team's strong point was defense as they held their opponent's scores to a minimum, and the goalies were credited with many shut outs. Because of their experience and hustle. South Garland's soccer team had an outstanding season. The coach was Steve Johanes.

# A Big Hit!

Baseball is one of S.G.'s most forgotten and overlooked sports. All the hard work of these players is hardly even noticed. S.G. baseball games are poorly-attended, even though they are exciting

This year's team was one of experience with many lettermen returning During the season they played good games and carried the Colonils' pride even higher. Many thanks go to their coach Ron Calloway for a great season

## Intramurals Get Students Involved

Intramurals have been at South Goland for three years now. These sports offer fun, competition, and a way to spend those boring week-day evenings

Football was introduced this year with about five teams competing. The championship was won by the Aproperty in the "Gophers" in a very lived fought game. Other teams competing were the "Turkeys" "Rollers," and "Jim White's Team."

Basketball really boomed this year with over 30 teams playing. Many of these games were close ones filled with excitement and fast moving action

Bowling this year showed many people had improved. Some of the bowlers played fantastic games with scores over 200

Volleyball was won by teamwork. Volleyball revealed many talented SG students.

This year's intramural program was under the direction of Mr. Sewell.

South Garland's sophomore class started one of three prestigious years with high hopes. All sophomores came with great anticipation of new social in dilearning experiences. Meeting new friends, working with more and more students, acquainted every sophomore with fun and pride at South Garland.

The sophomores became involved with the school activities by electing their officers. The sophomore officers hoped to start off on the right foot by hooding an ice skating party with invitations going out to every sophomore.

Purticipation was great as the year '76 moved closer in sight for South Garland's Sophomore Class

#### just what is freedom?

The specific to both and pressive the specific to both and pressive the specific transfer according to personal characteristics.

Freedom is the very core of the American system and while this system is not perfect, it has worked better than any other the world has ever known. It recognizes man a natural desires to live as an individual being. It recognizes his ambitions to earn, save, own and enjoy to the fullest the fruits of his lat.

As we partake of the rights of freedom, we must be ever mindful of our responsibilities to help preserve freedom.

The summer was coming to an end, and the Sabre Staft rigerly awaited the beginning of the 1973-74 school year. Some members began the year early by attending a workshop at S.M.U. We received honorable mention for our out standing layout of the Sabre 74. But the year was not all fun and games, (at least it was not meant to be) for there were stated deadlines to meet and hastily needed photographs to acquire

Finally all those deadlines were met, and the yearbook was completed. Now, all that was left was to wait for that special day. At last it came; the boxes were unloaded, and the 1974 Sabre was presented to the students of South Garland

# The South Shall Rise Again

All hail to thee,
To our Alma Mater sing,
Long may your fame
and your glory ring.
Forever true our hearts will be.
Our school, South Garland High
All hail to thee...
